

Do you have a custom application? BrakeTechnique® , Inc. can provide you with customized clutch and brake systems!

Let BrakeTechnique® , Inc. help you to protect the investment that you've already made.

Our knowledgeable technicians can expertly provide you with a custom clutch and/or brake system fabricated especially to meet your specific needs and applications. We take great pride in the quality of our work. In fact, all of our workmanship is *fully warranted*.

In addition to our custom clutch and brake system capabilities, BrakeTechnique® , Inc. also offers the following services:

- Friction material fabrication
- Application engineering services
- Complete rebuilds and relining services
- A large inventory of spare parts
- Remanufactured units in stock, ready for shipping
- We even offer a *brake exchange* program!

You owe it to yourself, and to your bottom line, to give BrakeTechnique® , Inc. a call. Let us show you how we can customize a clutch and/or brake application to meet your specific needs and requirements.

“It’s not scrap until *we* say so...”
