

# Don't scrap that worn-out equipment!

## BrakeTechnique<sup>®</sup>, Inc. can reline your clutches and brakes!

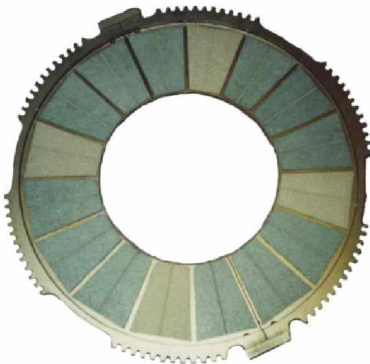

Let BrakeTechnique<sup>®</sup>, Inc. help preserve the investment you've already made by relining your clutches & brakes.

Our knowledgeable technicians will remove the old linings from the cores, fully inspect them for wear, and repaint and reline them to *like-new* condition. We take great pride in the quality of our work. In fact, all of our workmanship is *fully warranted*.

In addition to our expert clutch and brake relining services, BrakeTechnique<sup>®</sup>, Inc. also offers the following services:

- Complete custom clutch and brake systems
- Application engineering services
- Friction material fabrication
- A large inventory of spare parts
- Remanufactured units in stock, ready for shipping
- We even offer a *brake exchange* program!

You owe it to yourself, and to your bottom line, to give BrakeTechnique<sup>®</sup>, Inc. a call. Let us show you how we can keep your clutches and brakes in service longer.

“It’s not scrap until *we* say so...”
