

# If you're in need of expert machine shop services...BrakeTechnique<sup>®</sup>, Inc.'s quality and experience is unbeatable.

Our knowledgeable machine shop technicians have over 100 years of combined experience between them.

Whether you're looking for a brake drum or a brake stand, a hub or a brake disc, a splined gear or a belt sheave, our knowledgeable technicians can expertly provide you with whatever it is that you require. We take great pride in the quality of our work. In fact, all of our workmanship is *fully warranted*.

In addition to our expert machine shop services, BrakeTechnique<sup>®</sup>, Inc. also offers the following:

- Complete custom clutch and brake systems
- Clutch and brake rebuilds / relines
- Application engineering services
- Friction material fabrication
- A large inventory of spare parts
- Remanufactured units in stock, ready for shipping
- We even offer a *brake exchange* program!

You owe it to yourself, and to your bottom line, to give BrakeTechnique<sup>®</sup>, Inc. a call. Let us show you how our machine shop services can keep you in service longer.

“It’s not scrap until *we* say so...”
